The EWI logo is also present, with the tagline 'Joining Innovation' underneath.

### VISITOR NOTES

Visitors must sign in at the front desk upon arrival and review a *Visitor Access & Safety Acknowledgement Form*. As a condition of your visit to EWI:

- You must wear a visitor identification badge that must be visible at all times while in the EWI facility.
- You must be escorted throughout the facility by an EWI host employee during your visit.
- You may not read, handle, or remove any documents without consent from EWI.
- Closed-toe shoes are required in laboratory areas.
- Safety shoes must be worn when working with machinery or equipment.
- Safety glasses will be provided and must be worn at all times in laboratory areas.
- You may not use and/or handle the equipment, machinery, chemicals and other materials at EWI unless first authorized by an EWI employee.

Due to the sensitive nature of some EWI projects, photography is prohibited in laboratory areas. Please contact EWI prior to your visit if you wish to request special permission for photography.

### SMOKE-FREE POLICY

In the interest of the health of our associates and guests, EWI is now a smoke-free campus. No smoking is permitted anywhere inside the building or on the exterior grounds. Individuals *may* smoke inside of their cars, whether driving or parked.
