

Member Update & Orientation

Spring 2012

OVERVIEW

EWI will be hosting a member orientation session on Wednesday, May 16, 2012. Join us to learn how to take advantage of your membership benefits. During the session, you will have a chance to tour our labs with our technology experts, interact with other EWI members, learn about some of our latest technology advancements, and meet one-on-one with our engineers during our “Ask an Engineer” meetings to discuss your particular technical challenges.

Hear about the latest in **welding design and distortion and mechanical testing** – and have one-on-one access to our technical experts during our popular “**Ask an Engineer**” session!

AGENDA

8:30 a.m.	Registration and Continental Breakfast
9:00 a.m.	Welcome
9:15 a.m.	Technology Briefings: <i>Welding Design and Distortion</i> <i>Mechanical Testing</i>
